A Collection of African Recipes

Miller Topica Dayart

The cookbook 'Taste of Africa' produced by our Get Set for Work participants at CTC's Refugees Ready for Work program delivered out of Yeronga State High School is now available for sale. To all those who have supported the production of the book we very much appreciate your efforts. As the book illustrates this is a very professional production and testimony to the hard work and creativity of the authors. Anyone wanting copy can contact CTC on (07) 32166711.
